All,

I have not finished my review, but I thought it might be helpful to have a rule that says something along the lines of I.A.R. 48, such as:

In cases where no provision is made by statute or by these rules, proceedings in cases to which these rules apply shall be in accordance with the practice usually followed in such or similar cases, or as may be prescribed by the hearing officer or stipulated to by the parties.

Thanks!

Stephen Adams
